Mosaic to Host Barron County Cooperative Kick-Off Day

October is National Cooperative Month. In celebration, Barron County Cooperatives will be hosting an event for you, our cooperative members! The celebration, known as Coop Kick-Off, is scheduled for October 7th from 2:00 p.m. to 6:00 p.m. It will be held at the Mosaic Telecom headquarters building in Cameron.

Intended to spotlight cooperative traditions and principles, the event includes a hot meal, area cooperatives' displays and exhibits, health, safety and other community information. We will be showcasing the talent of our area youth by inviting Barron County high school jazz bands and choirs to perform along with an area favorite, Lenore Berg. There will also be a variety of entertainment for children

This event is free and open to the public. The participating cooperatives encourage attendees to help support the local food pantry by donating non-perishable food items. Donation items will be collected at the event.
