Kick for Cash Coming to a Football Game Near You

The Mosaic Telecom team will soon be active at area football games, hosting the half time Kick for Cash events. The program offers football fans the opportunity to punt, pass, and kick for a free Mosaic cell phone and 1 year free Mosaic cellular service. Barron County Cooperative Kick-Off Day

October is National Cooperative Month. In celebration, Barron County Cooperatives will be hosting an event for you, our cooperative members! The big event, known as Co-op Kick-Off, is scheduled for October 6th from 11:00 am to 3:00 pm. It will be held at the Barron Electric Cooperative headquarters building in Barron. Last year, approximately 1,300 people attended and helped area cooperatives celebrate Cooperative Month. Intended to spotlight cooperative traditions and principles, the event includes a hot meal, area Cooperatives' displays and exhibits, health, safety and other community information. There will also be pumpkin decorating for children. This event is free and open to the public. We hope that anyone attending will also help support the local food pantry by donating non-perishable food items that are being collected at the event.
